Executive Committee of the CIS

## CONTEXT

### 2013 The year of the environment

The year of environmental awareness and conservation  
in the Commonwealth

*Decision of the Council of the CIS Heads of State  
5 December 2012*

The year of conservation in the Russian Federation

*Presidential Decree № 1157  
10 August 2012*

## Chairperson of the Steering Committee

«Nevsky International Ecological Congress is ranked among major international environmental events and a forum for an open and innovative discussion of related to conservation and green solutions.

Conservation of the environment is an essential element of technological, economic and social progress of our country. All other options are simply not appropriate. This paradigm is a major advance in the Russian public environmental policy.»

## Valentina Matvienko

Chair, IPA CIS Council and Speaker,  
Federation Council of the Federal  
Assembly of the Russian Federation
